

During warranty period, assistance for replacement or exchange of defective components is available at the place of purchase with receipt or valid proof of purchase. The warranty does not cover repair or exchange of product resulting from misuse, accident, modification, unsuitable physical or operating environment, improper maintenance, or failure caused by non-SilverStone product. The warranty is voided by removal or alteration of product or parts identification labels.

Warranty period is region specific, please contact your reseller or SilverStone authorized distributor for more information.

This instruction will help you make the most out of your product. Please read through it before installation. Also, please keep your product receipt and this instruction in safe place for future reference.

We, SilverStone Technology, hope you will enjoy your product.

If you have any comments or suggestions, please e-mail to [support@silverstonetek.com](mailto:support@silverstonetek.com)

Thank you for choosing and supporting our product.

#### For Australia only

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Please refer to below for further warranty details. SilverStone Technology Co., Ltd. 12F No. 168 Jiankang Rd., Zhonghe Dist., New Taipei City 235 Taiwan R.O.C. + 886-2-8228-1238 (standard international call charges apply)

1. Product component defects or damages resulted from defective production is covered under warranty. Defects or damages with the following conditions will be fixed or replaced under SilverStone Technology's jurisdiction.

- (a) Usage in accordance with instructions provided in this manual, with no misuse, overuse, or other inappropriate actions.
- (b) Damage not caused by natural disaster (thunder, fire, earthquake, flood, salt, wind, insect, animals, etc...)
- (c) Product is not disassembled, modified, or fixed. Components not disassembled or replaced.
- (d) Warranty mark/stickers are not removed or broken.

Loss or damages resulted from conditions other than ones listed above are not covered under warranty.

2. Under warranty, SilverStone Technology's maximum liability is limited to the current market value for the product (depreciated value, excluding shipping, handling, and other fees). SilverStone Technology is not responsible for other damages or loss associated with the use of product.

3. Under warranty, SilverStone Technology is obligated to repair or replace its defective products. Under no circumstances will SilverStone Technology be liable for damages in connection with the sale, purchase, or use including but not limited to loss of data, loss of business, loss of profits, loss of use of the product or incidental or consequential damage whether or not foreseeable and whether or not based on breach of warranty, contract or negligence, even if SilverStone Technology has been advised of the possibility of such damages.

4. Warranty covers only the original purchaser through authorized SilverStone distributors and resellers and is not transferable to a second hand purchaser

5. You must provide sales receipt or invoice with clear indication of purchase date to determine warranty eligibility.

6. Unless otherwise noted, the limited warranty detail as below

- (a) All SilverStone retail boxed power supply products (excluding power supply sold as part of a case product) come with 3 year warranty from the date of purchase.
- (b) All SilverStone retail case products that have power supply included come with 1 year warranty from the date of purchase.
- (c) All SilverStone retail storage and accessory products (excluding expendable material) come with 1 year warranty from the date of purchase.

7. If a problem develops during the Warranty Period, please contact your retailer/reseller/SilverStone authorized distributors or SilverStone <http://www.silverstonetek.com>. Please note that: (i) You must provide proof of original purchase of the Product by a dated itemized receipt; (ii) You shall bear the cost of shipping (or otherwise transporting) the Product to SilverStone authorized distributors. SilverStone authorized distributors will bear the cost of shipping (or otherwise transporting) the Product back to you after completing the warranty service; (iii) Before you send the Product, you must be issued a Return Merchandise Authorization ("RMA") number from SilverStone. Updated warranty information will be posted on SilverStone's official website. Please visit <http://www.silverstonetek.com> for the latest updates.
